Year 3 Life in the Amazon

As part of our rainforest project, Plum 3 are developing their music skills to create a rainforest orchestra. We wrote a class poem using onomatopoeia and similes and the children then wrote their own poems about creatures in the rainforest.

Class Poem

The Rainforest Toucan

Splish, splash, splosh
Pitter patter
Ca Caw, Ca Caw
Hiding high in the tall
trees,
A toucan pecks a
watermelon,
to eat the seeds.
Eyes as blue as an ocean,
Yellow beak like flaming
sun,
A soft, white chest like
snow.
He swoops down low,
His black feathers shine in
the sunlight.
Sleeping in shady trees.
Beady eyes staring.

Individual Pupil Poems

The Tree Frog

Up in the tree
I see a fantastic climber.
Swish the wind blows.
Splash, splish
Into the water it jumps.
Red eyes staring,
venomous fly eater
with a slimy body.
He hides in plants,
Sticky feet climbing trees.

By Maks

The Panther

Deadly meat eater,
attacks his prey.
With sharp teeth.
Leaping like a legend.
Black as the night.
Climbing up high,
he wins
a meaty catch.

Year 4 Football Tournament

After football trials at lunchtimes in the MUGA, a football team was chosen to represent the school at the Year 4 Football Tournament.

The team took part in seven matches at Oxstalls Tennis Centre and played exceptionally well.

Mr Howarth and Mr Acton accompanied the team and were very impressed with each member of the team.

Well done to Ethan Baker who scored our only goal of the afternoon!

Well done to the whole team for taking part!

Visit of Commonwealth Games Triple Jump Champion

Tredworth Junior School pupils were treated to a visit from Commonwealth Games triple jump gold medalist, Julian Golley on Tuesday, 28 March 2017 as he put the children through their paces in a bid to encourage more youngsters to take part in sport.

Every child had their photograph taken with the athlete before taking part in a 15 minute workout which included press-ups, squats, star jumps and sit ups.

The event was organised as part of the Super Schools Programme. These sports people come and speak to the children to inspire them to take care of their health and well-being but it also brings enjoyment.

Mr Samak who organised the day said "If one child today has been inspired to be physically active who wasn't before, the afternoon has been a success".

A total of £216.72 was raised on the day. We thank all parents for their support and the children for their enthusiastic participation.

And finally

I can hardly believe we are nearly at the end of Term 5 and about to go into our final term of the academic year.

All of our children are working so hard, but none have worked harder than our Year 6 pupils who have just finished their end of Key Stage SAT's. They applied themselves brilliantly to a set of incredibly difficult challenges. Most importantly they were confident and gave every bit of effort they had. Some even said they enjoyed it!

Thanks once again for your incredible support in helping us to make the difference.
