## Tag Rugby – Lime 1

This term Lime 1 have been lucky enough to take part in a tag rugby programme supported by Gloucester rugby. Each week the class have had two coaches come in during their P.E session to teach them the rules and skills needed to play. It has been great to see their skills develop over the weeks and the children have really enjoyed having the professionals to help them.

**Well Done Everyone!**

**And finally.....**

I can't really believe that we are at the end of Term 2 and fast approaching Christmas. The learning this term has been fantastic as have attitudes and commitment.

I would like to give a reminder that pupils are not supervised on the playground until 8.50am. We are getting pupils arriving at school at 8.30am and even earlier.

We have also experienced issues with parking on the road before and after school near to and on our crossing and in the staff car park. Please help us to keep everyone as safe as possible.

All that is left is to say is a massive "Thank you" for your support and to wish you a very Happy Christmas and I hope to see you at one of our end of term events.

**Andrew Darby**
